

The screenshot displays a patent search application window titled "EAST - [10625705] MRAM having tapered buffer layer.wsp:1". The interface includes a standard Windows XP menu bar (File, View, Edit, Tools, Window, Help) and a toolbar with icons for file operations. The left-hand pane lists a series of search results, each preceded by a magnifying glass icon, ranging from "L18: (18) 16 and 4" to "L44: (4) 6297983.1URPN". The right-hand pane shows a detailed view of the selected entry, "6297983.1URPN", which includes a handwritten note "Aug 2004". Below the main panes, a status bar indicates the application is "Ready" and shows a progress indicator "0/1/2/3/4".
